## PROFESSIONAL SUMMARY

A motivated B.Tech CSE student at Brainware University with a strong foundation in web development, data structures, and algorithms. Passionate about building clean, user-centric web applications that solve real-world problems. Combines technical expertise with an eye for design and a commitment to writing maintainable, efficient code. Actively seeking internship opportunities where I can contribute to meaningful projects, collaborate with experienced developers, and continue growing as a full-stack engineer.

## EDUCATION

## TECHNICAL SKILLS

|           |                                                                   |
|-----------|-------------------------------------------------------------------|
| Frontend  | HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Tailwind CSS |
| Backend   | Python, Java, Node.js (Basic), Express.js                         |
| Databases | MySQL, MongoDB, Firebase                                          |
| Core CS   | Data Structures, Algorithms, OOP, DBMS, Computer Networks         |
| Tools     | Git & GitHub, VS Code, Figma, Postman, Chrome DevTools            |
| Other     | REST APIs, JSON, AJAX, Responsive Design                          |

## PROJECTS

### Campus Connect

[React](#) · [Node.js](#) · [MongoDB](#) · [Express](#)

A student networking platform for event updates, notice sharing, and club discovery. Built responsive UI with React.js, RESTful APIs with Node.js, and MongoDB database. Reduced scattered communication by centralizing campus updates.

### Smart Expense Tracker

[Python](#) · [MySQL](#) · [Matplotlib](#)

A desktop application for tracking daily expenses with automated budget alerts and visual spending analytics. Used Python Tkinter for GUI, MySQL for data storage, and Matplotlib for category-wise spending graphs.

## PROJECTS

### Personal Portfolio

[HTML5](#) · [CSS3](#) · [JavaScript](#)

A responsive portfolio website showcasing projects, skills, and professional journey. Features a modern glass-morphism design, smooth animations, interactive ID card, and a fully functional contact form integrated with Formspree.

## LANGUAGES

|         |                             |
|---------|-----------------------------|
| English | Fluent (Read, Write, Speak) |
| Hindi   | Native (Read, Write, Speak) |
| Bengali | Native (Read, Write, Speak) |

## INTERESTS

- Web Development & UI/UX Design
- Data Structures & Algorithms / Problem Solving
- Open Source Contribution
- Reading Tech Blogs & Exploring New Tools
